

## **PATIENT SAFETY PAPERS - CALL FOR PAPERS**

*Healthcare Quarterly*, in collaboration with the Canadian Patient Safety Institute, the Health Council of Canada and the Canadian Council on Health Services Accreditation, is pleased to announce a third edition of *Patient Safety Papers*. This 3<sup>rd</sup> in the series (for the first 2 see: [http://www.longwoods.com/special\\_issues.php](http://www.longwoods.com/special_issues.php)) will again provide real-time overviews of patient safety initiatives from the field as well examples of related research projects.

**Guest Editor, Prof. Ross Baker**, Department of Health Policy, Management and Evaluation at the University of Toronto invites organizations and/or individuals to submit papers and case studies with a particular emphasis on contributions that highlight Canadian or comparative efforts to measure or improve patient safety.

Descriptions of demonstration projects and interventions would be welcomed along with strategies for engaging patients and clients in improving safety.

Please submit abstracts or summaries of no more than 250 words to Rebecca Hart, Managing Editor, at [rhart@longwoods.com](mailto:rhart@longwoods.com) no later than **June 8, 2007**. Submissions will be reviewed by the editorial team and a selection of authors will be invited to prepare full manuscripts for publication.
